A refined traditional taste

Our ramen shop offers a unique style that blends traditional flavors with a modern touch, serving rich and flavorful ramen. We use fresh ingredients to make our handmade soup every day. Additionally, we provide a wide variety of topping options. Please come and taste our ramen!

A refined traditional taste

We have independently researched wheat blends to create noodles that are optimal for our soup. From our basic menu, you can choose between thick and thin noodles. Our spice-infused noodles, developed in collaboration with an Indian

Our secret three-stage soup is a balanced blend of pork bones, chicken carcass, and seafood.

The exact proportions are a closely guarded secret.

We also take pride in our curry soup, developed in collaboration with

"Definitely worth trying at least once."
